

The Great British Spring Clean - Rescheduled

Due to the poor weather last weekend (3/4 March 2018) we had to cancel our Spring Clean litter picking events. The Great British Spring Clean is a national campaign, led by Keep Britain Tidy, which aims to encourage schools, community groups and individuals to spend a few hours together litter picking in their local area. New Forest District Council, New Forest National Park Authority, the Forestry Commission, the Verderers of the New Forest and the Commoners Defence Association are working together to support this national tidy up.

We have now rescheduled these for later on this month. Permission Groups and Members of the Public are being invited by the Forestry Commission to a series of litter picking events.

Beaulieu Heath - Saturday 17th March 10.30am – 12.30pm

Wilverley Plain - Sunday 18th March 10.30am – 12.30pm

Ocknell Campsite/Plain - Saturday 24th March 10.30am – 12.30pm

Blackfield (Blackwell Common) - Sunday 25th March 10.30am – 12.30pm

We are inviting members of your group to come along and support one of these events. Please come back to me if you are interested in helping with this worthy cause. Ideally when you respond a rough guide on the number of volunteers and preferred location would be appreciated.

Litter pickers, gloves and bags will be supplied. Advice to volunteers - please wear suitable footwear/clothing and park in the car park named above, no verge parking please.
